IN ORDER TO FULFILL THE OBLIGATION
I UNDERTOOK IN ACCEPTING YOUR INVITATION,
I MUST ASSUME THAT THE LABOR BOARD WILL
NOT ONLY RECOGNIZE THE REALITIES BUT WILL
ADHERE TO ITS OWN GENERAL GUIDELINES ON
THE NATURE OF UNITS IN HEALTH-CARE
INSTITUTIONS. THE LABOR BOARD, OF COURSE,
ISN'T OBLIGATED TO ACCEPT MY ASSUMPTIONS,
BUT LET'S PROCEED ON THAT BASIS.

IT IS HARDLY NECESSARY FOR ME TO
POINT OUT THAT YOU IN THE PNHA SEEK TO RESOLVE
QUESTIONS THAT GO BEYOND THE SCOPE OF
COLLECTIVE BARGAINING, IN LET'S SAY, A
STEEL MILL OR A SHOE FACTORY.

1

AS OPENERS, FOR ALL PRACTICAL PURPOSES YOU ARE PUBLIC EMPLOYEES.

YOU ARE PUBLIC EMPLOYEES REGARDLESS
OF THE OWNERSHIP OR MANAGEMENT OF YOUR
HOSPITAL, BECAUSE THE PUBLIC EXPECTS YOUR
SERVICES TO BE AVAILABLE AS NEEDED. IN
THAT SENSE--IN THE PUBLIC PERCEPTION OF
YOU--YOU ARE IN THE SAME GENERAL CATEGORY
AS POLICEMEN, FIREMEN, SCHOOLTEACHERS AND
GARBAGE COLLECTORS. IN FACT; BY THAT
MEASUREMENT SOME WOULD SAY YOU WOULD
BE NEAR THE HEAD OF THE LIST.

MOREOVER, THE LOSS OF YOUR SERVICES
DOES IN FACT RAISE GENUINE, IMMEDIATE
CONCERNS OF CONSIDERABLY GREATER MAGNITUDE
THAN DELAYING THE DELIVERY OF A NEW
AUTOMOBILE OR A SHIPLOAD OF WHEAT.

THEREFORE YOU HAVE VERY STRONG
REASONS FOR NOT STRIKING EXCEPT AS A LAST
RESORT--A LAST, LAST RESORT, TO A DEGREE
THAT GOES BEYOND ORDINARY LABOR-MANAGEMENT
PARLANCE.

THIS IS NOT, I AM SURE, BECAUSE
YOU ARE AFRAID OF THE CONSEQUENCES TO
YOURSELVES, BUT BECAUSE YOU FEAR THE
C ONSEQUENCES OF YOUR PATIENTS.

YET AT THE SAME TIME, YOUR
COLLECTIVE BARGAINING INVARIABLY INVOLVES
AN ISSUE THAT HAS RAISED THE HACKLES OF
MANAGEMENT FOR AS LONG AS SOME MEN HAVE
WORKED FOR OTHERS. HIGH AMONG YOUR
OBJECTIVES IS IMPROVING THE WAY THE
HOSPITAL IS RUN.

TO BE SURE, THE WAY THE HOSPITAL IS RUN IS A MAJOR FACTOR--OFTEN THE MAJOR FACTOR--CONTROLLING YOUR HOURS OF WORK.

UNTIL I READ THE STORIES THAT EMERGED FROM YOUR STRIKE IN NEW YORK--IN PARTICULAR THAT WALL STREET JOURNAL FEATURE--I HAD NO IDEA HOW MUCH WAS BEING DEMANDED OF YOU AS THE ENTRY-FEE TO YOUR PROFESSION.

BUT HERE AGAIN, THE ISSUE IS NOT
ONLY THE CONSEQUENCES TO YOURSELVES BUT
TO THOSE YOU SERVE--AN ISSUE THAT BROUGHT
YOUR NEW YORK STRIKE THE SURPRISING SUPPORT
OF THE AMERICAN MEDICAL ASSOCIATION.

YOU LEFT NO DOUBT ABOUT YOUR OWN
CHOICE OF VALUES DURING THE LOS ANGELES
DISPUTE, WHEN YOU TRADED MONEY FROM YOUR
OWN POCKETS IN ORDER TO GET BETTER
FACILITIES FOR THE CARE OF PATIENTS.

THIS MAY HAVE EARNED YOU POINTS

FOR ALTRUISM--A QUALITY NOT ALWAYS

ASSOCIATED WITH OLDER MEMBERS OF YOUR

PROFESSION--BUT AS A GENERAL PROPOSITION

IT WON'T MAKE HOSPITAL ADMINISTRATORS

ANY MORE EAGER TO GIVE YOU A VOICE IN

WHAT THEY REGARD AS THEIR RIGHT TO MANAGE.

ON THE BASIS OF WHAT I HAVE SAID SO FAR, ANY REASONABLE OBSERVER MIGHT CONCLUDE THAT YOU ARE UP AGAINST A HOPELESS PROBLEM.

NOW LET'S CONSIDER HOW IT MIGHT BE SOLVED.

DESPITE EVERYTHING I HAVE SAID,
YOU DO START WITH CERTAIN ADVANTAGES.

YOUR PAY--WHICH I'M TOLD AVERAGES

AROUND \$11,000 A YEAR--IS HARDLY

PROPORTIONATE TO YOUR RESPONSIBILITIES.

COUPLED WITH THE TYPICAL LENGTH

OF YOUR WORK-WEEK IT IS EVEN WORSE.

ACCORDING TO THE LATEST FIGURES THE AVERAGE
INDUSTRIAL WORKER EARNS \$183 FOR A 39-HOUR

WEEK.

YOU ARE NOT APT TO BE TOLD THAT
YOU ARE GETTING TOO MUCH MONEY.

NEXT, YOU ARE PROFESSIONALS,
BARGAINING WITH PROFESSIONALS. LET ME
HASTEN TO SAY THAT I USE THE WORD
"PROFESSIONAL" ONLY IN RELATION TO YOUR
TRAINING AND YOUR SKILLS, NOT IN THE
NARROW DEFINITION OF THE LABOR RELATIONS
ACT.

BY THE TIME YOU GET TO BE
PROFESSIONALS IN THE TRUE SENSE, I WON'T
BE WORRYING ABOUT YOUR PROBLEMS; I'LL
BE COMPLAINING ABOUT THE BILLS YOU SEND
ME.

TO RETURN TO THE POINT, YOU AND
THE PEOPLE YOU BARGAIN WITH--TO A FAR
GREATER DEGREE THAT MOST OF THOSE WHO SIT
ACROSS THE TABLE FROM EACH OTHER--HAVE
A DEEP, COMMON INTEREST IN THE ULTIMATE
PRODUCT.

I CERTAINLY HOPE YOU DO. OTHERWISE,
AS SELF-APPOINTED BUSINESS AGENT FOR THE
POTENTIAL HOSPITAL PATIENTS UNION, I
WOULD SHOW UP WITH A PICKET-SIGN MYSELF.

HOSPITALS, A SOURCE OF BACKUP SUPPORT FROM AMONG THE ATTENDING PHYSICIANS. THEY KNOW THAT IF YOU'RE GOING TO DO THEIR WORK FOR THEM, YOU HAVE TO BE IN SHAPE TO DO IT WELL. BUT THIS IS A RESOURCE YOU SHOULD PROBABLY HOLD IN RESERVE.

NOW, ON TO THE TECHNIQUES.

ENGLISH LITERATURE AND ALL ITS
PREDECESSORS TELL US, ONE WAY OR ANOTHER,
THAT THE PRACTICE OF MEDICINE IS A MIXTURE
OF SCIENCE, IMAGINATION AND FAITH.

THE PRACTICE OF RESOLVING LABORMANAGEMENT DISPUTES IS A VERY SIMILAR
MIXTURE, THOUGH THE INGREDIENTS MAY NOT
BE AS HIGH-SOUNDING. INSTEAD OF SCIENCE
AND FAITH, WE THINK IN TERMS OF PRAGMATISM
AND PERSISTENCE. IMAGINATION IS SOMETHING
WE ALL NEED, IN ALMOST EVERY HUMAN
UNDERTAKING.

PRAGMATISM COMES IN RIGHT AT THE BEGINNING, ONCE YOUR BARGAINING RIGHTS ARE ESTABLISHED.

DECIDE AMONG YOURSELVES WHICH
OF YOUR NEEDS ARE REALLY THE MOST PRESSING.
THAT IS, MAKE A DISTINCTION BETWEEN WHAT YOU
WOULD LIKE TO GET AND WHAT YOU REALLY
BELIEVE YOU HAVE TO GET--THE BOTTOM LINE, AS
THEY SAY ON WALL STREET.

SURE, YOU DESERVE MORE, AND YOU'LL
TRY TO GET MORE. BUT YOU SHOULD HAVE A
PRETTY FAIR NOTION OF WHERE THAT BOTTOM
LINE LIES, EVEN IF IT'S NOT DRAWN ON A CHART
ANYWHERE.

THEN TRY TO FIGURE OUT WHERE YOU'LL MEET THE TOUGHEST RESISTANCE, AND WHY.

WHERE DOES THE MONEY COME FROM,

AND WHAT IDEAS CAN YOU COOK UP TO GET

ENOUGH TO COVER THE CHANGES YOU ARE

PROPOSING?

WHAT KIND OF CONTINUING VOICE
WILL YOU PROPOSE ON WORK ASSIGNMENTS,
AND HOW WILL YOU MAKE THIS IDEA PALATABLE
TO MANAGEMENT?

THIS ISN'T A LAUNDRY-LIST, BY ANY MEANS; IT JUST INDICATES THE KIND OF PREPARATIONS YOU'LL NEED.

1

THEN, ONCE YOU'RE PREPARED, START
EARLY. START MEETING AS SOON AS POSSIBLE
WITH MANAGEMENT. DISCUSS IN THE BROADEST
TERMS THE PROBLEMS AS YOU SEE THEM. SOLICIT
THEIR REACTIONS. TRY TO ESTABLISH, WITHIN
THE LIMITS OF WHAT IS LEGALLY AN ADVERSARY
RELATIONSHIP, THAT COMMON INTEREST I
MENTIONED A FEW MOMENTS AGO--THAT COMMON
INTEREST IN THE REST OF US, THE PRESENT AND
FUTURE PATIENTS.

AS I'VE REMINDED YOU, THE FMCS
IS AUTOMATICALLY INVOLVED. BUT HERE AS
ELSEWHERE, IT'S NOT OUR JOB TO DICTATE
TERMS, OR EVEN TO PROPOSE THEM. OUR JOB
IS TO HELP CREATE AN ATMOSPHERE IN WHICH
YOU AND MANAGEMENT WILL BE ABLE TO REACH
AGREEMENT BY YOURSELVES.

IT WON'T ALWAYS HAPPEN THAT WAY. IF YOU REACH AN IMPASSE. A REALLY FORMIDABLE ONE. OUR MEDIATOR MAY RECOMMEND A BOARD OF INQUIRY. BASED ON MY PERSONAL REVIEW OF THE FACTS, I MAY APPOINT ONE. I HAVE ACCEPTED THE MEDIATOR 'S RECOMMENDATION TWO OUT OF THREE TIMES. THE BOARD WILL REPORT WITHIN A SPECIFIED TIME, AND WE HOPE THAT WITH THE HELP OF ITS REPORT. THE PARTIES WILL BARGAIN THEIR WAY OUT OF THE DEADLOCK.

UP TO NOW, ACCORDING TO A SURVEY
BY THE BUREAU OF NATIONAL AFFAIRS, HOSPITAL
OFFICIALS HAVE FOUND OUR MEDIATORS TO BE
GENERALLY EFFECTIVE IN PROMOTING THAT GOAL.
BUT THE PARTIES THEMSELVES HAVE TO DO THE
JOB.

I SINCERELY URGE YOU NOT TO SIT

BACK AND WAIT FOR THE FMCS MACHINERY TO

BE INVOKED. THAT'S NOT THE WAY TO GET

THE KIND OF AGREEMENT, THE KIND OF MEETING

OF THE MINDS, WHICH IS SO IMPORTANT TO

THE EFFECTIVE FUNCTIONING OF ANY ENTERPRISE -
THE KIND OF EFFECTIVENESS ON WHICH YOUR

PATIENTS' LIVES MAY DEPEND.

I TAKE THE SAME ATTITUDE TOWARD
COMPULSORY ARBITRATION AS A SUBSTITUTE
FOR THE FREEDOM TO STRIKE.

A CONTRACT WHOSE TERMS ARE WRITTEN
BY THE THIRD PARTIES, NO MATTER HOW WISE
AND WELL-MEANING, IS SIMPLY NO SUBSTITUTE
FOR AN AGREEMENT BETWEEN THE PARTIES.
THEMSELVES.

I SUBMIT THAT THE RECORD TO DATE-FEWER THAN 50 STRIKES IN MORE THAN 1,500
CASES, AN EVEN LOWER PROPORTION THAN IN
ALL ENTERPRISES COVERED BY THE LABOR
RELATIONS ACT--PROVES THAT THE SYSTEM OF
FREE BARGAINING IN THE HEALTH CARE INDUSTRY
IS WORKING NOW AND WILL WORK EVEN BETTER
AS TIME GOES ON.

JUST AS I WARNED YOU EARLIER, I
HAVEN'T BROUGHT YOU ANY SURE-FIRE FORMULA
FOR TURNING AN IMPASSE INTO A SETTLEMENT.
BUT I HOPE THESE FEW SUGGESTIONS MAY HELP
YOU TO REACH A SETTLEMENT WITHOUT AN IMPASSE.
AFTER ALL, THAT'S AN EVEN BETTER SOLUTION.
