

Interviews conducted by Jerry Barrett at Eastern Airline during March thru May 1986, for Bill Usery who had mediated a series of disputes in early 1980s, involving Eastern and its three unions. ALPA (pilots union), IAM (machinists and other ground employees), and the Flight Attendants Union.

The IAM and the Flight Attendants Union refused to be interviewed. Below are the names and the positions of the interviewees.

Files include the final version of the interview, and a few others also include hand edited version. There are notes below explaining some exceptions.
